

Tire Purchase Limits for August 13, 2022

Tire Purchase Amount for drivers who established their inventory at a previous event.

- Below are the maximum number of new tires that can be purchased at the track from Hoosier Tire East. These tires will begin your inventory for the season. Used tires can be used in place of what is allowed to be purchased to fill your inventory for a given week. Used tires are defined as anything not purchased from the Hoosier tire truck on race day. The amounts listed below are all subject to availability of Hoosier Tire East at the track.
 - SK Modifieds® - 2 Tires-(1 Right Side Tire, and 1 Left Side Tire)
 - Late Models – 2 Tires
 - Trucks – 1 Tire
 - Mini Stocks - 0 Tires
 - Street Stocks – 1 Tire

- **Tire Purchase Amount on August 13th for new drivers: (You do not have to purchase the amount listed below. You can add used tires to bring your inventory to the below listed numbers.)**
 - SK Modifieds® - 3 Tires, 2 Right Side Tires and 1 Left Side Tire. Can also add in 3 USED tires for a total of 6 to start your inventory.
 - Late Models - 4 Tires-Can also add 2 USED Tires for a total of 6 to start your inventory.
 - Trucks - 2 Tires-Can also add 4 USED Tires for a total of 6 to start your inventory.
 - Mini Stocks – 2 Tires-Can also add 4 USED Tires for a total of 6 to start your inventory.
 - Street Stocks – 2 Tires-Can also add 4 USED Tires for a total of 6 to start your inventory.
- If you do not purchase the amount listed above, you may add used tires to fill the total amount allowed. Used tires must be listed on your tire coupon with the Tire Official.
- Drivers MUST use tires that are in their inventory when competing in Qualifying and Feature Events.
- For some events drivers must use the same tires in both the Qualifying Event and Feature Event. Drivers will have their tires marked when in the qualifying lane and must start the feature event on the same tires.

If you do not purchase or inventory the allotted number of tires for a given week, you lose those tires from your inventory. There is NO “banking” of tires, this amount does not carry over to future events.
