

Tire Purchase Limits for October 1, 2022

Tire Purchase Amount for drivers who established their inventory at a previous event.

- Below are the maximum number of new tires that can be purchased at the track from Hoosier Tire East. These tires will begin your inventory for the season. Used tires can be used in place of what is allowed to be purchased to fill your inventory for a given week. Used tires are defined as anything not purchased from the Hoosier tire truck on race day. The amounts listed below are all subject to availability of Hoosier Tire East at the track.

- SK Modifieds® - 2 Right Side Tires (Hoosier 670)
- SK Lights – 1 Left Side Tire
- Mini Stocks - 0 Tires
- Trucks – 0 Tires
- Street Stocks - 0 Tires
- Late Models - 2 Tires
- Open Street Stocks - 1 Tire (Hoosier 790 only)

Additionally, on 9/17/22 SK Modified teams changed over to the Hoosier 670 for the right-side Tires. Teams who have established an inventory and did not purchase all 4 of their allotted 670 tires on 9/10 or 9/17 are able to purchase the remainder of them on race day. Any questions related to this, please see the NLWS Tire Official.

SK Modifieds® will have their tires marked and must run the same tires in the qualifying event and feature.

- **Tire Purchase Amount on October 1st for new drivers: (You do not have to purchase the amount listed below. You can add used tires to bring your inventory to the below listed numbers.)**

- If you do not purchase the amount listed above, you may add used tires to fill the total amount allowed. Used tires must be listed on your tire coupon with the Tire Official.
- Drivers MUST use tires that are in their inventory when competing in Qualifying and Feature Events.
- **SK Modified®** drivers must use the same tires in both the Qualifying Event and Feature Event. Drivers will have their tires marked when in the qualifying lane and must start the feature event on the same tires. In the event there is no qualifying event tires may be marked and/or checked against your inventory prior to the feature event.

If you do not purchase or inventory the allotted number of tires for a given week, you lose those tires from your inventory. There is NO "banking" of tires, this amount does not carry over to future events.
