### 2024 SK Modified® Weekly Tire Rules

Tire Inventory is assigned to the driver unless otherwise noted and approved by New London Waterford Speedbowl Management.

Tires purchased on race day must be used for competition the day they are purchased. Opening Day purchase limit is 6 Tires.

All tires that are being placed into your inventory MUST be written on the weekly tire sheet and left with the designated NLWS Tire Official prior to leaving the Hoosier Tire Truck.

Teams may also purchase up to 4 practice tires if they did not previously purchase any directly from Hoosier Tire prior to 5/4/24.

Any spare tires MUST be out of your 2024 inventory. Opening Day Spares (if needed) may be your practice tires or used tires from last season.

All bar codes must be clearly legible. Any bar codes that cannot be read to identify the tire will cause that tire to be deemed illegal.

Drivers that have non-inventory tires on their car during qualifying or feature events will be penalized.

If a driver changes cars for qualifying or feature events, their inventory MUST follow them to the new car.
