2026 SK Modified® Weekly Tire Rules (Updated 9/25/26)

Tire Inventory is assigned to the driver unless otherwise noted and approved by New London Waterford Speedbowl Management.

Tires purchased on race day must be used for competition the day they are purchased. The purchase limit at your first event is 8 Tires up until 5/16/26 or the divisions 3rd event. After that date it is the amount listed below.

There is no “banking” of tires. If you do not purchase the allotted tires for the week, you are not able to add them at a later date.

All tires that are being placed into your inventory MUST scanned by the designated NLWS Tire Official prior to leaving the Hoosier Tire Truck.

You must use the same tires for qualifying and the feature. The 3 tires purchased must be on the car during qualifying and the feature.

Any spare tires MUST be out of your 2026 inventory.

All bar codes must be clearly legible. Any bar code that cannot be read to identify the tire will cause that tire to be deemed illegal.

Drivers that have non-inventory tires on their car during qualifying or feature events will be penalized.

If a driver changes cars for qualifying or feature events, their inventory MUST follow them to the new car.

Tires may be marked weekly. You must race on the tires you qualify on. Any tire changes between qualifying and feature events must be approved by the NLWS Tire Official or designee.

In the event your feature event is not completed on the same day that you purchased your tires, those tires may be impounded until the following event. Failure to impound tires will result in penalties when the event in question is completed.

2026 SK Modified® Tire Schedule (Updated 9/22/26)			
Date	Laps	Weekly Allotment	New Competitor
